

Do you get your prescription drugs from Medicare?

If so, come in for a “**Medicare Check Up**” during the **Annual Medicare Part D Open Season**.

- Make sure that your drug plan (like SilverScript, AARP, or First Health Premier) will cover your drugs in 2014.
- See if you can lower your drug costs.

Legal Aid* is hosting FREE walk-in clinics to help you choose the best prescription drug plan for 2014.
